

# MADE IN THE STREETS (MITS) REFUND POLICY

## [for Internships, Mission Trips, and Mission Specialists]

Because MADE IN THE STREETS is a 501(c)(3) entity and all Internship and Mission Trip Payments are considered a tax deductible donation, we must follow strict refund policies.

- For Internships: One half of the internship goal (\$1800) is non-refundable, for any reason.
- For Mission Trips: One half of the trip fee (\$200) is non-refundable, for any reason.
- For Mission Specialists: One half of the agreed upon trip fee is non-refundable, for any reason.
- MITS will not be responsible for change fees charged by any airline, under any circumstance.
- MITS is unable refund to you, or the original donor, any amount of raised funds which exceeds your funding requirements. Once financial gifts are received by MITS, the individual donors are sent a charitable contribution receipt which is used for Federal Income Tax purposes and refunds are not possible. All monies received in excess of the funding requirements will be used by MITS to further the mission.
- If an approved Intern or Mission Team member finds they are unable to participate on an internship or mission trip, the intern or team member must alert MITS at least four weeks prior to departure in order to receive a partial refund of mission trip or internship payments. Any cancellations after that time can be used toward another trip\*, or the team member may choose to shift the funds to another MITS program or need. If there is a family or medical emergency, please contact [christian@madeinthestreets.org](mailto:christian@madeinthestreets.org) as soon as possible.
- In the unlikely event that MITS must cancel a trip, the cost of the trip less the non-refundable portion may be refunded to the payer. However, it is the responsibility of the attendee to request the refund. They will have 60 days after the date of intended departure to request a refund. The team member may also choose to use the funds for another mission trip or shift the funds to a different MITS program or need of their choosing.

*\*If shifting your funds to another mission trip, the new trip must take place within 12 months of the original trip month.*

*\*If shifting your funds to another internship, the new internship must take place with 24 months of the start of the original internship.*
